

Temporary Import Approval and Undertaking (for multiple shipments)

1. Pursuant to section 136 of the Customs and Excise Act 2018 (the Act), the Chief Executive of the New Zealand Customs Service (the Comptroller) is satisfied that the goods listed in Appendix 1 hereto for which this approval has been granted have been or will be imported and entered into New Zealand on a temporary basis.
2. The Comptroller approves this undertaking from (the importer) and agrees not to request from the importer any other form of security pursuant to sections 136 of the Act so long as the terms and conditions set out in this Approval and the Procedure Statement per Appendix 2 to this approval are fully satisfied.
3. The importer undertakes that -
 - (a) Regardless of tariff classification, goods which are temporarily imported and delivered from the control of Customs without payment of duty (including GST) will be used only by the importer for the purposes approved by the Comptroller.
 - (b) Those goods imported temporarily in terms of this Approval will, unless allowed to be dealt with under section 136(2)(e), be exported out of New Zealand within 12 months from the date of their importation or within such longer period as the Comptroller may determine and in accordance with section 136(2) of the Customs and Excise Act 2018.
4. Without limiting clause 3 hereof the importer further -
 - (a) Acknowledges and accepts that, by this Approval, it hereby provides to the Comptroller an undertaking to pay the duty (generally for compliance with the Act and for the protection of the revenue of Customs) for an unspecified sum to be determined by the Comptroller in terms of sub clause 4(b) and 4(d) of this Approval and in terms of the Act.
 - (b) Acknowledges that any failure on its part to deal with the goods in the manner mentioned in this Approval or related Procedure Statement shall require the importer to forthwith pay to the Comptroller the duty that would have been paid as if the goods had been entered for home consumption at the time of their importation into New Zealand.
 - (c) Agrees that the Customs Service shall be entitled at any time, and from time to time, to have access to any records or documents that are considered necessary or relevant to conduct an audit of the importations and exportations made under the terms of this Approval and to account for all Customs revenue.
 - (d) Accepts that any duty payable may be assessed and determined on the basis of any import entry made by the importer and on the basis of the provisions of the Customs and Excise Act 2018 and any determination of the Chief Executive.
